# CLASS HISTORY

As we, the seniors of nineteen hundred and fifty-eight, glance back into the past, we concentrate upon some of the most wonderful experiences and thrills that we have had during these four short years at Newbold.

Time, like a rolling sea, has erased the look of bewilderment from the faces of twenty-eight of the fifty-one that entered Newbold High School one scorching July day in '54.

Our class immediately began showing their initiative and interest in school activities. You have seen our instability, freshness and ignorance change into sophistication, and the air of superiority. If we may be modest, we would say that our teachers truly felt that this group would give Newbold outstanding recognition in the four ensuing years.

During our greenest year, we were under the supervision of Miss G. B. Morgan, and led by the able hand of Norris Nixon. We began our days by placing Ralph Shipp, Joyce Moore, Norris Nixon, Mary Herndon, Boyd McLean, Florence Johnson, William Edwards, and Mary McClain on the honor roll. In the field of sports, Joseph Ramseur, John Magness and Robert Taylor were outstanding in football; Mary Herndon, Nelda Holloway and Margaret Vinson represented us on the girls basketball team; while Boyd McLean, Tyrone Moore and Jack Bynum won acclaim on the baseball team.

As sophomores we were well represented in all sports and activities. Once again, Mary Herndon was elected president of the Glee Club; Margaret Vinson was highest scorer on the girl's basketball team, and Boyd McLean, number one catcher on the baseball team. The most rewarding moment of this year was Emma Foster representing our class as "May Queen of '56." By this time we were well on the way, being led by Miss L. J. Pryor and Mr. J. W. Harper.

Then what seemed to be next to the greatest year of all arose, it was our Junior year. As our leader for this important year, we chose Dan Kee. During this time we were busy working toward one of the most memorable days of our lives which was our Junior Senior Prom. All of the students were very interested and struggled hard to present a wonderful evening to the class of 1957. Because this was the first that had been given in honor of the seniors for about three years, everyone was anxious for this moment to arrive. The theme for that evening was "Moonlight and Roses." We are certain the occasion will be remembered by all who attended.

Now to bring you up to the greatest moment in every high school student's life-- the day he walks into the senior class home-room to stay and calls it his last high school home. Our last and most wonderful year was under the leadership of Ralph Shipp and the supervision of Mrs. M. T. Harper. We worked very hard and published the third edition of the "Newboldlite." With Boyd McLean as our editor-in-chief, we completed this wonderful project and one of the most wonderful years of our life.

Now as we move down the aisle to receive our diplomas, we wish to thank our friends and most of all our parents and teachers for helping us to reach our first major goal.

As we leave we would like for you to remember the motto of the class of 1958. "There was never a rose without a thorn."

Dearest Cris,

Remember all nice things  
and you'll never go wrong, just  
like the song you can make it if  
you try.

Always a friend  
Pauline

Dear "Chris" -  
I will always remember  
you as a "friend" best of luck  
in the future, keep up the good  
work and you will at least be  
"some body". Much luck to us  
and you, or ---  
"a friend".  
M.A.B.

Miss Christine McRouison
